# ABOUT ARCADE

Arcade Lighting is a speciality lighting enterprise combining expertise in LED Lighting Solutions. Over 20 years, we have made our presence felt in the industry with our quality range in Industrial, Commercial, Street Lights and Flood Lights under our brand name

The Brand has always been underpinned by knowledge of lighting and profound understanding of its effect on people.

Light is our passion. We have been defining the present and future state of light every day for over 30 years, and with intelligent solutions that not only convince but inspire.

Lighting is simple: we listen carefully and we know the market.

# Services And Manufacturing Provided In House

- Fabrication
- Pretreatment Plant
- Powder Coating Driver
- Manufacturing LED pick  
& place Reflow
- Machine for LED

- Designing
- Quality Check Product
- Customization Service
- within 72 hours Lux
- Report
- Site Support

# Certification

## CE By Technická inšpekcia

CE marking is a certification mark that indicates conformity with health, safety, and environmental protection standards for products sold within the European economic area. The CE marking is also found on products sold outside the EEA that are manufactured in, or designed to be sold in, the EEA.

## ISO by UKAS & NABCB

The International Organization for Standardization (ISO) is an international standard-setting body composed of representatives from various national standards organizations. Founded on 23 February 1947, the organization promotes worldwide proprietary, industrial and commercial standards.

## BIS

The Bureau of Indian Standards is the national standards body of India working under the Aegis of Ministry of Consumer Affairs, Food & Public Distribution, Government of India. It is established by the Bureau of Indian Standards Act, 1986 which came into effect on 23rd December 1986.
